Re: Notice of Ex Parte Presentation: ET Docket No. 04-295

Dear Secretary Dortch:

The U.S. Department of Justice ("DOJ") hereby submits notice of an ex parte presentation on August 3, 2005, in ET Docket No. 04-295, "Communications Assistance for Law Enforcement Act and Broadband Access and Services."

The following DOJ representatives participated in the meeting by telephone: Laura Parsky, Monique Perez Roth, and Michael Stawasz of the Criminal Division; Jon Pifer and Douglas Klein of the Federal Bureau of Investigation ("FBI"); and Henry Hodor, a contractor to the FBI. FCC participants included Samuel Feder, Michelle Carey, Matthew Berry, Christopher Killion, and Julie Veach.

The DOJ representatives reiterated the scope of law enforcement's need for Voice-over-Internet-Protocol ("VoIP") services to include Communications Assistance for Law Enforcement Act ("CALEA") capabilities. DOJ representatives also discussed the reasons for the Commission to announce a timeframe for the actual implementation of CALEA capabilities for VoIP and broadband Internet access services to be completed.

Sincerely,

A handwritten signature in black ink, reading "Laura H. Parsky".

Laura H. Parsky
Deputy Assistant Attorney General
